KALLEA

BELLAM

RIEL Institute for Education & Learning

Indigenous Youth Connections

STUDENT OF THE MONTH

Kallea has shown tremendous responsibility and accountability in her work placement with the Riel Institute's Indigenous Youth Connections program. The feedback that we have received from her placement coach has been nothing but positive. We are very proud of all the effort she put into the program and implementing these skills has helped her to be so successful in her job now. Excellent job Kallea!
